**RE: Recommendation - Craig Price – Southern Safety Shield**

To Whom It May Concern:

It is with great pleasure and enthusiasm that I am writing this recommendation regarding Craig Price. I have known Craig for the past several years and utilized his consultant services for safety consultation, to conduct OSHA required training programs and just recently to oversee the ground floor operations during the start-up phase of a new facility.

During the start-up phase of our new facility Craig worked in almost every capacity. He assisted in daily activities issuing all types of work permits, overseeing ground floor operations and conducting employee training.

Craig has proven to be a valuable resource for our facility as well as for me personally. His dedication, service and safety knowledge is remarkable. Craig's competence and ethics as a safety professional are exemplary.

I unreservedly recommend Craig Price to your company. If needed, my contact information is shown below or e-mail address is [Tim.Whatley@Bunge-Ergon.com](mailto:Tim.Whatley@Bunge-Ergon.com)

Sincerely,

Tim Whatley, SE&H Manager
